Requires use of Fitbit app with compatible iPhone or Android. Google account will be required for Charge 6 and Pixel Watch 2. See fitbit.com/devices. Google, Pixel, G logo, Android, and related logos and marks are trademarks of Google LLC. *AOD means Always-on display, which is a feature that will reduce battery life. †Use of this feature will decrease battery life. Max battery life is approximate and based on testing using default settings with a median Pixel user battery usage profile across a mix of features. Battery life depends on many factors. Use of certain features will decrease battery life. Actual battery life may be lower. ‡The Fitbit ECG app is only available in select countries and with select products. Not intended for use by people under 22 years old. See fitbit.com/ecg for more details. ‡Health Metrics are not available in all countries. These features should not be relied on to diagnose or treat any medical condition or for any other medical purpose. They are intended to provide information that can help you manage your well-being. Significant changes in ambient temperature may negatively impact skin temperature tracking. ‡Safety Check, Fall detection and require location enabled and 4G LTE or internet connection; are dependent on network connectivity & other factors; and may not be reliable for emergency communications, to detect all incidents, or be available in all countries or languages. ‡Available when phone is nearby or phone free using LTE. ‡Google Assistant and some related features are not available in all languages. Data rates may apply. See here for updates to language availability. ‡Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Alexa is not available in all languages and countries. Alexa features and functionality may vary by location. ‡New and returning Premium users only. Requires valid payment. T&C apply. After 6-month period, subscription renews at a regular charge. Cancel anytime. ‡YouTube Music controls require a compatible phone within Bluetooth range and a paid YouTube Music Premium subscription. YouTube Music streaming (non-Premium version) is currently available only in Canada and the US. ‡Google apps and services are not available in all countries or languages. Data rates may apply. ‡Compatible with workout machines that support the Bluetooth Heart Rate Profile. ‡Requires Fitbit Premium membership. ‡Fitbit Premium content and features may change. Content recommendations are not available in all locales and may be in English only. With eligible device purchase. New and returning Fitbit Premium members only. Must activate membership within 60 days of device activation. Valid form of payment required. After the 6-month period, subscription will renew at \$9.99 monthly or \$79.99 annually (based on your registration designation). Cancel anytime. Membership cannot be gifted. Content and features may change.
